Sir:

Applicants direct the attention of the U.S. Patent and Trademark Office to the documents listed on the attached Form PTO-1449. One copy of these documents are attached.

This Information Disclosure Statement is being submitted after the issuance of a first official action on the merits and expiration of the three month period following the filing date or the entry in the national stage for the above-captioned application, but prior to the issuance of either a Final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application.

Serial No.: 09/994,829

Information Disclosure Statement Under 37 C.F.R. §1.97(c)

October 26, 2004

The undersigned hereby certifies:

That each item of information contained in the information disclosure statement X

was first cited in any communication from a foreign patent office in a counterpart foreign

application not more than three months prior to the filing of the information disclosure statement

and, to the knowledge of the person signing the certification after making reasonable inquiry, no

item of information contained in the information disclosure statement was known to any individual

designated in §1.56(c) more than three months prior to the filing of the information disclosure

statement.

In accordance with M.P.E.P section 609(A)(3), it is respectfully submitted that the

requirement for a concise explanation of relevance is satisfied by the submission of an English

version of the office action which indicates the degree of relevance found by the Japanese Patent

Office.

The above information is presented so that the Patent and Trademark Office may, in the

first instance, determine any materiality thereof to the claimed invention. It is respectfully

requested that the information be expressly considered during the prosecution of this application,

and that the references cited in the attached Form PTO-1449 is made of record therein and appear

on the first page of any patent to issue therefrom.

Serial No.: 09/994,829

Information Disclosure Statement Under 37 C.F.R. §1.97(c)

October 26, 2004

The Commission is authorized to charge Deposit Account No. 50-2866 for any fee which is deemed by the Patent and Trademark Office to be required to effect consideration of this statement.

Respectfully submitted,
